About AMO

Created in 1977 by Dr. George Lenchner, an internationally known math educator, the Math Olympiads went public in 1979. Last year nearly 150,000 students from 6,000 teams worldwide participated in the Olympiads. All 50 states and about 30 other countries and territories were represented.

American Mathematics Olympiad (AMO) is an affiliate of Math Olympiads for Elementary and Middle Schools, USA (MOEMS) and there are similar affiliates in Columbia, Iceland, Australia (APSMO), Philippines, China and India. MOEMS is one of the oldest and most established primary and secondary school math competition in the world.

Singapore International Mastery Contests Centre (SIMCC) is the main organiser of AMO in ASEAN and Greater China (China, Hong Kong, Macau and Taiwan)
